

# Get your message directly to the market you serve:

INFORMATION TECHNOLOGY OFFICIALS  
 STATE, CITY, AND COUNTY GOVERNMENT LEADERS  
 GOVERNMENT ECOMMERCE DECISIONMAKERS  
 GOVERNMENT IT PURCHASING OFFICIALS

## EGOVERNMENT TREND REPORT & WEBSITE

Government Officials read EGovernment Trend Report and use the database to learn about state and local E-Government performance. They want to learn how their website ranks, which areas are successful, and to learn best E-Government practices.

## EGOVERNMENT TREND CONFERENCES

Government Officials attend EGovernment Trend Conferences to share ideas with colleagues from across the country, to network with peers, and to celebrate the accomplishments of the most successful E-Government initiatives.

- **ACCESS**

Direct, unmediated access to leaders at the State and Local Government levels—IT Officials, Key Administrators, and IT Purchasing Officials

- **EXCLUSIVITY**

A limited number of sponsorship opportunities guarantees you exclusive access to a powerful audience

- **VISIBILITY**

Sponsoring EGovernment Trend Report studies gives you direct visibility in front of the market you want to reach
